MEMORANDUM FOR: R. M. Huffstutler  
Director, National Photographic Interpretation Center

SUBJECT: Future CAMS Capabilities of Interest to NPIC

25X1

This memorandum is to acknowledge your 4 September 1985 memorandum entitled "Future CAMS Capabilities of Interest to NPIC." Action is assigned to  Chief of the System Integration Division, COMIREX Staff, and Chairman of the Community's CAMS Task Force. Your memorandum is particularly useful at this time since we are engaged in a review of functions that CAMS should have in the 1990's.
